

Entrust your Business with us at **BitX Funding LLC**. We, like many of you, are a local family owned business founded in 2006 and we exist because we understand that business loans and lines of credit are often complex in obtaining, especially during challenging times.

At **BitX Funding LLC** we eliminate the traditional red tape and fund with low documentation and quick approvals. We simply do not believe in stringing business owners since your time is valuable and should be spent at what you do best, operating and growing your business.

We have current special offers for those in

Hospitality, Fitness and Gyms and Travel Industry.

Please feel free to reach out to us as we have increased our hours and team to support all of you, our

“Greater Norwalk Chamber Business Owners. “

Please mention that you are a Chamber Member as we are donating a portion of our proceeds to the Fairfield Norwalk K 9 Unit and First Responders.
